

Peak Internal Medicine

Cancellation and No Show Policy

Our goal is to provide quality medical care to all our patients in a timely manner.

We understand that emergent situations arise in which you must cancel your appointment 24 hours prior to your appointment, but when you cancel last minute, it takes a time away from other patients who may need care.

- For New and Established patients there will be a No Show or same day cancellation fee of \$100.00 which will be charged directly to the patient. **NOT** to the patient's insurance.
- **ALL No Show** fees must be paid prior to the next appointment in order to be seen.
- Peak Internal Medicine reserves the right to terminate the doctor-patient relationship after 3 No Shows for new and established patients.

Patients who cancel same day will be considered a No Show and **will** be charged the fee of \$100.00 for the time slot that we were not able to fill.

I _____, have reviewed and understand the above Cancellation and No Show Policy.
