Dear Patients,

We are pleased to offer two flu clinics this year for our current patients. In order to protect our patients and staff we will be giving flu shots to patients while they remain in their car. We are asking that you call to schedule a time for your drive up appointment and that you come with the attached paperwork completed for each person receiving a vaccine. **Please ensure your consent form is filled out completely, signed and dated prior to arrival.** Appointments will be limited and on a first come first serve basis.

**Dates:**

- **Saturday September 26th 8a-12p**
- **Saturday October 3rd. 8a-12p**

When you arrive for your appointment you will see a tent set up outside our building and our staff ready to greet you! We do ask that you remain in your car and that you wear a mask while interacting with staff members.

Call to schedule your appointment today! (720) 222-0648

Sincerely,

The Peak Internal Medicine Team
